Jason Pohl Reporter The Sacramento Bee Desk: 916.326.5512 jpohl@sacbee.com	Existing database, as of Jan. 2, 2019, of sworn officers in the state of California that includes name, badge number, agency name, date they became CA-certified officers. Is ok with 2017 database POST has already compiled from previous request. How I might go about finding some data about police hiring and vacancies in California? I'm starting a long-term project with ProPublica involving the challenges facing law enforcement and jail staffers and am trying to wrap my head around staffing shortages etc.	1/11/2019	C	CPRA
